A Qualification is a Remit, Not a Licence

Three variables dictate what you may legally and safely do on the water on any given day.

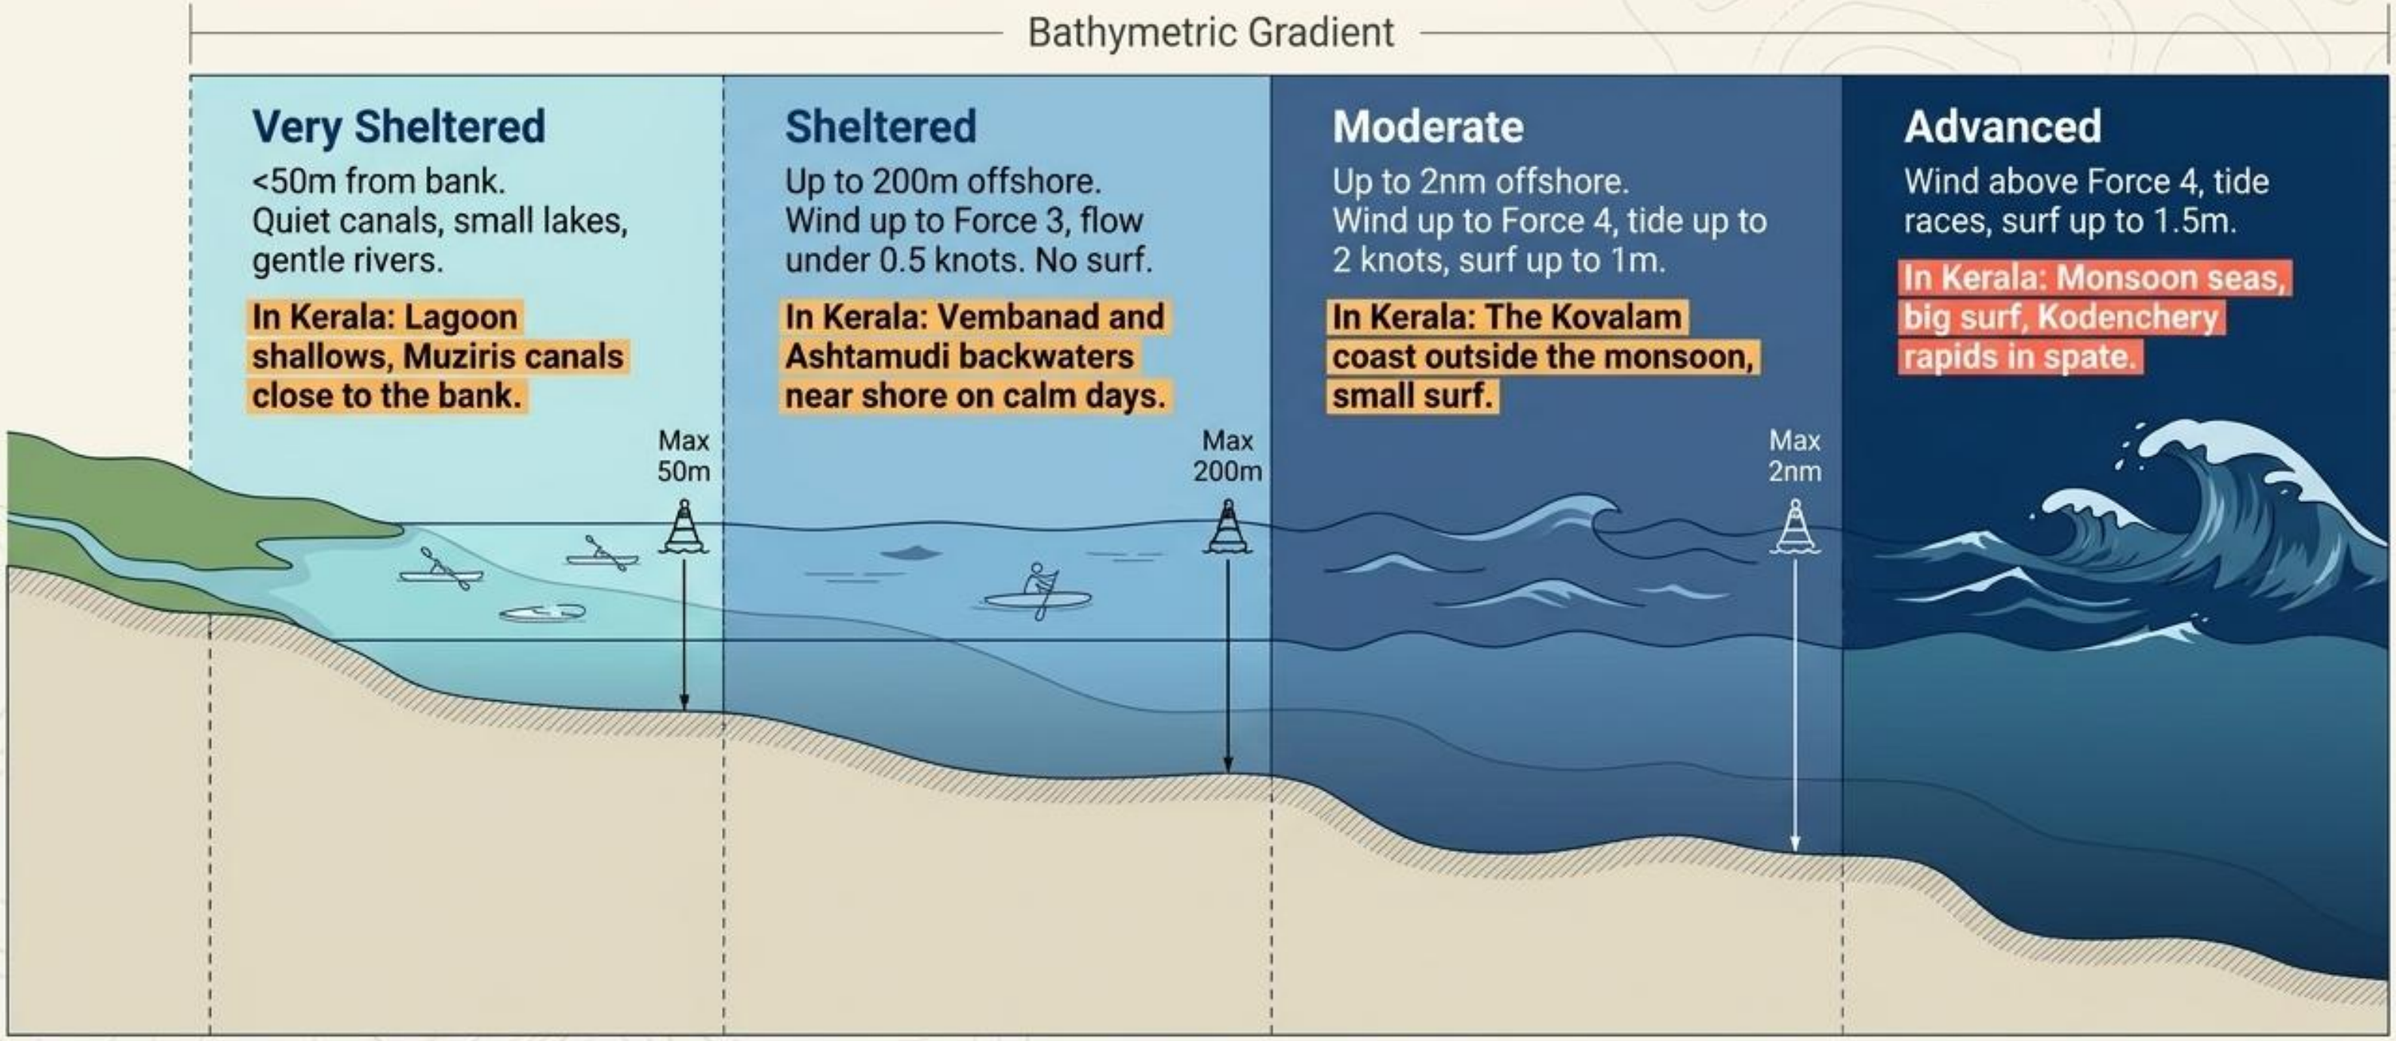

Working in India

While Paddle UK sets the standard, in Kerala you are covered by your employer's insurance, and you work under their registration with the state's adventure tourism authorities.

Know Your Water: The Environmental Gradient

Every award is intrinsically tied to one of four water environments.

The 4-Step Qualification Ladder

From introducing your first newcomer to training the next generation of professionals.

4 TUTOR

Train and assess the next instructors, leaders, and coaches for the awarding body. By appointment only.

3 COACH

Age 16+ / 18+ for advanced

Plan, deliver, and review progressive coaching sessions safely and independently across 22 discipline options.

2 LEADER

Age 16+

Take responsibility for a group on the water and lead them on journeys across sheltered, moderate, or advanced waters.

1 INSTRUCTOR

Age 14+

Introduce newcomers to paddling. Focus on tasters, starter sessions, and short journeys in very sheltered water.

Diagnostic: Instructors vs. Leaders

Instructors introduce. Leaders take the group out.

WARNING: An **instructor is not a leader**. Instructor awards cover only very sheltered water (<50m from bank). Taking a group into open sea or across a backwater requires a matching Leader award.

Instructors (Very Sheltered Only)	
Paddlesport Instructor 	Run tasters/journeys in stable craft (kayak, canoe, SUP). Work alone once experienced. Requires: Age 14+, 2 days training, Paddlesport Safety & Rescue (FSRT). 
SUP Instructor 	Familiarisation, games, mini journeys. Requires: Age 14+, 2 days training, personal SUP rescue competence.
Leaders (Journey Focused)	
Paddlesport Leader	Benign, sheltered water. Lead any craft from any craft. Requires: Age 16+, 1-day assessment, 1-day First Aid.
Open Water Canoe Leader 	Moderate inland water up to 500m offshore (e.g., Kerala backwaters). Requires: Age 16+, First Aid, Safeguarding.
Sea Kayak Leader 	Moderate sea, coastal journeys up to 2nm/Force 4. Requires: Age 16+, 2-day First Aid, Navigation award, 1-2 day assessment.

Diagnostic: Coaches vs. Tutors

Coaches develop paddlers. Tutors develop coaches.

Coach Award

Role: Coach beginners and improving paddlers until they can paddle safely without a coach. Plan and deliver progressive sessions.

Scope: 22 options across craft (canoe, kayak, SUP, surf, polo) and environment (sheltered to advanced).

To Qualify: Age 16+ (18+ for advanced). 2 days Core Coach Training + 2 days discipline training + 1-day assessment. (Some options require a Leader award first).

Tutor (Course Provider)

Role: Run Paddle UK training and assessment courses. Mentor candidates.

Scope: Appointed, not just qualified. A Delivery Centre opens applications annually. Start as aspirant, observed delivering, then take full role.

To Apply: Requires existing Coach award, a recognised tutoring qualification, and at least 5 years of running progressive sessions.
